

NATIONAL DRUG PRESCRIPTION TAKE-BACK DAY

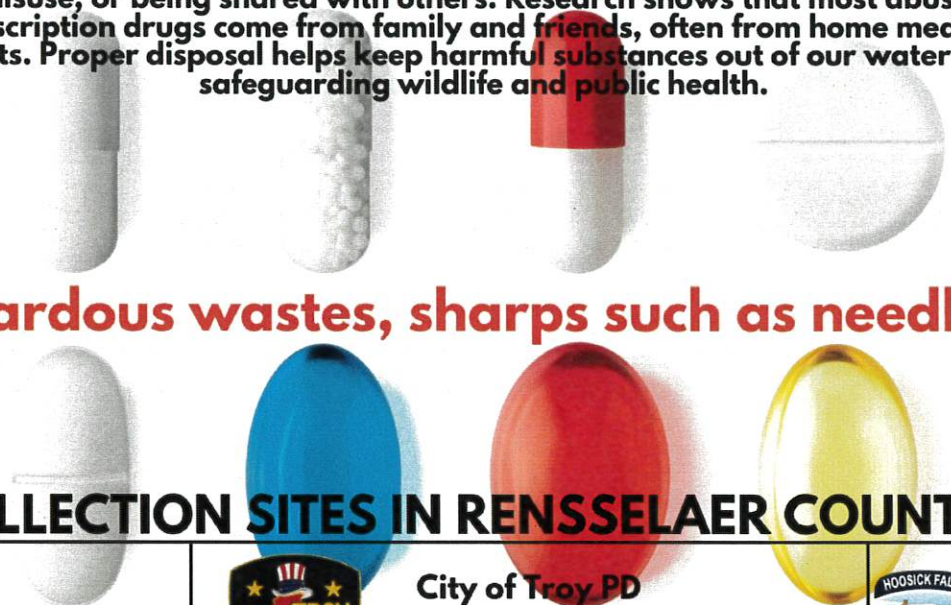

SATURDAY APRIL 26TH 2025

10AM-2PM

For more information or for additional collections sites go to: <https://www.dea.gov/takebackday>

Get rid of unused prescription and over-the-counter medications safely to protect both people and the environment. Unused meds can lead to accidental ingestion, misuse, or being shared with others. Research shows that most abused prescription drugs come from family and friends, often from home medicine cabinets. Proper disposal helps keep harmful substances out of our water supply, safeguarding wildlife and public health.

DO NOT bring hazardous wastes, sharps such as needles, or illegal drugs!
