

**Town of North Greenbush**  
**US Route 4 Corridor Construction Traffic Safety Advisory**

The Town of North Greenbush is advising motorists that beginning July 12, 2021 US Route 4 between Route 43 and Sunset Boulevard will be reduced to a single alternating lane controlled by flaggers Monday thru Friday between the hours of 6:00 am and 6:00 pm to facilitate road paving.

Motorists are urged to slow down and drive responsibly in the work zones. Fines are doubled for speeding in a work zone and convictions of two or more speeding violations in a work zone could result in the suspension of an individual's driver license.

Motorists are reminded to obey the directions of flaggers and slow down significantly whenever encountering roadside vehicles displaying red, white, blue, amber or green lights, including maintenance and construction vehicles in work zones.

For Immediate Release: July 9, 2021
